

**St. Paul Lutheran Church** is a popular wedding site for couples seeking a warm, intimate setting for their most blessed day. The gothic architecture and high vaulted ceilings provide a perfect setting for both traditional and contemporary services. You need not be a member to be married at St. Paul.

The facility fee is \$800, which includes use of the church for the rehearsal and wedding plus the use of the bridal lounge for pre-wedding dressing and pictures. Custodial service and a church wedding coordinator are included in the price. A 50% deposit is required to reserve your date and the balance is due two weeks before the rehearsal.

Our pastor's gift of \$350 covers pre-marital counseling if desired, wedding planning, rehearsal, and Christian wedding service.

The soprano soloist fee is \$75 and our organist fee is \$200 which includes music planning and wedding service music. Optional organist rehearsal fee is \$50.
